

GLOBAL SOFTWARE, INC. STRENGTHENS ITS COMMITMENT TO EMEA REGION WITH THE HIRING OF NEW PARTNER CHANNEL EXECUTIVE, PAUL BROERSE

RALEIGH, NC (October 22, 2009)- Global Software, Inc., the No. 1 provider of Microsoft® Excel-based automation and analysis tools to the leading enterprise resource planning (ERP) platforms, announced today the hiring of new partner channel executive, Paul Broerse.

Mr. Broerse will be stationed at the Global Software EMEA headquarters in London and brings a wealth of experience from an IT background in both direct sales and channel business sales. He is one of several strategic new hires to support the rapid growth Global's worldwide certified partner channel has experienced over the last three years.

"Paul will elevate our worldwide channel partner program to an entirely new level," states Spencer Kupferman, Vice President, Corporate Affairs. "His industry experience and highly developed partner network will allow him to focus his efforts on expanding Global's international partner presence throughout the UK, European Union and beyond."

"There is a tremendous need in international markets for automating spreadsheet environments. Global has done a superb job in laying the foundations for the broadening of their coverage of overseas markets," states Paul Broerse, EMEA Partner Channel Manager. "I look forward to providing the premium level of partner support that all of Global's worldwide partner community have become accustomed to."

Prior to joining Global Software Mr. Broerse spent over 21 years working for software vendors and was most recently the Key Partner Manager with Limehouse Software Ltd. He was previously appointed the UK & Ireland Channel Manager at MapInfo UK, a GIS Location Intelligence software vendor. Mr. Broerse spent over 12 years in the Business Intelligence industry, ten of which were as a Direct Sales and VAR Partner Manager for the UK and Ireland at formerly Business Objects, now SAP® Business Objects.
